

Every year we need to raise over \$300,000 from our community to provide free hospice palliative care services to the Tairawhiti region.

It's a tough call in these times and we depend on your generosity to help make it happen.

Please support Hospice Tairawhiti and help us keep this important service free of charge to those in need by making a one-off donation or becoming a Friend of Hospice.

Friends are very special people who we can rely upon to make a regular annual donation.

All donations remain in our region to provide care to local patients and families.

For further information about Hospice Tairawhiti and the work we do, visit our website
