

Workforce Development Scholarships 2020

Hospice Tairāwhiti is committed to upskilling the workforce and growing leaders in hospice palliative care within the Tairāwhiti region. To facilitate this commitment we are delighted to offer study scholarships for the 2020 calendar year.

Scholarship applicants must show the relevance of their chosen study to their particular role and ongoing professional development needs in hospice palliative care.

The scholarships will cover tuition/ course/ conference fees of up to \$1,500 for post graduate study via an accredited institution. Applications for greater course fee costs will be considered on a case by case basis.

The priority for scholarships is to support the professional development of clinical teams within the Tairāwhiti district.
